Past Scholarship Recipient

As a past scholarship recipient of The Cleveland Chapter of Chums, I can truly say that this organization is committed to encouraging and uplifting our youth by promoting scholastic success and social development. They have continually motivated and encouraged me to achieve my academic, professional and also personal goals.

I return to volunteer every year because of the integrity and heart of the women involved. I feel beyond blessed to have been given the opportunity to know such a dynamic and inspirational group of women who are passionate about their powerful mission of civic, cultural, educational and social improvement.
