

THE CLEVELAND CHAPTER OF CHUMS, INC.

Scholarship Awardee

CARL HORTON, JR.

Kent State University | Sophomore | Major: Nursing

My name is Carl Horton, Jr. and I am a 2016 graduate of Cleveland Early College high school at John Hay campus. Currently, I am a sophomore enrolled at Kent State University pursuing a career in nursing. I chose nursing because it is a humbling profession with a plethora of career paths to specialize in. The CHUMS have helped me with my transition from high school to college along with my journey that I am currently on and will continually seek. The CHUMS organization has been a blessing not only regarding

finances, but it has also had an impact on my academic life and life outside of school. Throughout my experience with the CHUMS I met other college-bound students, some of whom have different career paths, but also want to make a difference in the community. I truly believe that I've learned a great deal from the ladies of CHUMS because I also look to them for mentorship, guidance, and wisdom. I am thankful for the recognition of my potential and all the opportunities that I have been provided with. Thank you.
