

# THE CLEVELAND CHAPTER OF CHUMS, INC.

## Scholarship Awardee

## LA'AZIA DAVIS

Lincoln University PA | Sophomore | Major: Biology | Minor: Spanish

Most of my childhood I grew up in a single parent household in the city. My mother always stressed how important it is to get an education and to put my best effort into assignments. My mother was not in the best financial position to help pay for my college expenses, so I tried to get as many scholarships as possible to be able to pay for a higher education. I want to study biology and work in the medical field to become a neurosurgeon. As a high school

senior my focus was succeeding at a college or university and being able to afford the expenses, CHUMS helped me accomplish that. The money from CHUMS helped me buy school supplies and things for my dorm. I gained a beautiful mentor, Odessa Johnson, she continues to support my dreams and make sure that I have the tools that I need to succeed. I am so grateful that the women at CHUMS chose me to be one of the recipients of their scholarship.
