

THE CLEVELAND CHAPTER OF CHUMS, INC.

Scholarship Awardee

MAKENZIE FIELDS

Virginia State University | Sophomore | Major: Biology | Minor: Chemistry

My college experience, has taught me the importance of working hard, and facing my fears and challenges head on. My “stick to it” attitude and my ability to move forward despite adversity contributed to my success in overcoming obstacles. Because of my perseverance, I was inducted in the Virginia State University National Honor Society in September 2017 and will be inducted

into the Biological Honor Society, Mu Eta Chapter on March 30, 2018. The CHUMS, Inc. scholarship has made it possible for me to purchase **all** my textbooks for the entire 2017-2018 school year. Thank you, CHUMS, for helping me to prepare for a career as an Obstetrician.
